

Clore Floor Lamp

Clore Floor Lamp

The Clore Floor Lamp, is Tamart's first lighting design and joins the Clore Collection originally designed by Tamar de Shalit for Sir Charles Clore's 1960s penthouse. Offering a diffusive illumination, the lamp features an elliptical handblown opaque glass shade, that sits within a solid wooden cradle. The traditionally crafted ovoid shade is made in Czechia by artisans layering opaque white and clear polished glass. The sturdy timber base is offered in Tamart's sustainably sourced and premium AA graded hardwoods: natural oak, ash and black stained ash, with a black braided cable and a foot dimmer.

With its commanding poised presence, the hybrid 'furniture-lamp' offers timeless elegance brought to life for a new generation; the light can be specified for a range of projects from residential and hospitality, to living spaces and breakout areas. Fixed imbedded felt feet pads are partially recessed into the legs and come as standard. This product is delivered in 2 boxes.

Dimensions	W41×D41× H83.2 cm Shade: H41 cm×Ø30.5 cm
