

Red Rock Club Stool

Red Rock Club Stool

The Red Rock Club Stool, which also works as a side table, originates from a furniture series custom-created for the famous 1970s Red Rock Hotel and Club, designed by Arthur Goldreich and Tamar de Shalit. This piece follows the same principles as the Red Rock Club Chair with its solidly proportioned legs which taper at the feet. The stool is crafted from Tamart's sustainably sourced timbers – natural oak, ash and black stained ash, with an oiled finish. The furniture arrives assembled as one piece. Fixed inserted felt foot pads are standard. Fixed felt foot pads are partially recessed into the legs and come as standard.

Dimensions	Ø 35 cm × H35 cm
Weight	4.1 kg
Material	Solid FSC timber: Natural ash, black stained ash, natural oak
Finish	Oiled
CoO Origin	PL
Certifications	Certificates: FSC 100% and PEFC 100%
Availability	Lead time 8–10 weeks
