'Come to Dinner'

Lighting rarely gets the credit it deserves in heritage, hospitality and wellbeing spaces. This panel puts it centre stage.

Join Ellie Stathaki (Wallpaper*) in conversation with Nick de Klerk (Purcell), Daniel Blaker (Nulty Lighting Design), Rachel Basha-Franklin (Basha Franklin) and Amos Goldreich (Tamart), on integrating lighting into heritage, hospitality and wellbeing projects with people at their core.

The evening marks the launch of Tamart's new lighting designs, with an exhibition at our Shoreditch showroom.
